## **Flat Stanley Program/Credit Information (Please Read)**

This folder contains two additional PDF files. One file is the short program for DCT's THE MUSICAL ADVENTURES OF FLAT STANLEY. The second file contains important biographies that **must** be included in your printed program when space allows.

If you find it necessary to have the original InDesign file that these documents were created from, please contact Sally Fiorello at [sally.fiorello@dct.org](mailto:sally.fiorello@dct.org).

Thank you for your attention to this information.
